SENATE RESOLUTION

Whereas, The first topic to be studied by the Commission on State Tax and Financing Policy is whether changes should be made to the statutory eligibility requirements to claim the venture capital investment tax credit; and

Whereas, The commission should also study whether the Indiana Economic Development Corporation should be authorized to designate one rural county as a rural entrepreneurship area development incentive area in which state income taxes withheld from employees working for a new business in the area would be transferred to the rural county for purposes of developing new business opportunities in the rural county: Therefore,

*Be it resolved by the Senate of the
General Assembly of the State of Indiana:*
